30 GRADUATES WIN HIGH RANK IN SCHOLARSHIP

Miss Genevieve Stowe Receives D. A. R. History Medal

PROGRAM GIVEN

History, Will and Prophecy Are Features of Event at Chautauqua Pavilion

Awarding of class honors and announcement of the 30 honor students featured Harding High School activities for seniors at Chautauqua Pavilion, Garfield Park, yesterday afternoon. The program, which also included several pleasing instrumental numbers, class addresses and delivery of the class history, will and prophecy. Genevieve Stowe, with a grade of 95 in American History and Civics, was awarded the history medal by Miss Emma Thompson, regent, representing Captain William Hendricks Chapter, Daughters of the American Revolution. The history medal has been presented to the student with the highest grade in history and civics by the D. A. R. each class year for the last seven years.

A Royal typewriter from the Monarch Printing & Supply Co. was awarded Miss Donna Louise Eddy as the most deserving typewriting student.

MAN HELD AS FOOS SLAYER ENTERS PLEA

Says He's "Not Guilty" When Arraigned in Municipal Court

CONFESSION IS READ

Everett Koon, Alias Cecil Dean, Bound Over to Grand Jury Without Bail

Unshaven and with an expression almost stoical in its lack of feeling, Everett Koon, alias Cecil Dean, alleged slayer of Henry Foss, aged farmer living on the Harvey road northeast of the city, faced Judge William R. Martin in Municipal Court late yesterday afternoon and entered a plea of not guilty to the charge of murder read to him by Prosecuting Attorney Frank Weidmann.

JOHN H. CLARK GETS PLACE ON CHURCH BOARD

Becomes Member of Executive Committee of Methodist Book Concern

John H. Clark, Marion attorney, has been elected to the executive committee of the Methodist Book Concern, according to information received here today. Mr. Clark's election took place at one of the closing sessions of the Methodist general conference, held in May at Kansas City.

TOLEDO GIRL SLAYER IS INDICTED BY JURY

Prosecutor To Seek Electric Chair for Confessed Murderer

Toledo, June 1.—While the largest crowd to ever attend a funeral here was viewing the services for little seven-year-old Dorothy Seligowski, this morning, the regular June Lucas County grand jury returned an indictment of first degree murder against Charles J. Hoppe, who according to police confessed the slaying.

Vernon Heights' "Sousa Band"

COMPILED entirely of first grade pupils the "Toy Orchestra" at Vernon Heights Junior High School, soon above, achieved not a little fame this spring by appearing as features of several community programs. The band was organized by Miss Sara Catherine Affes, first grade teacher, and has as its leader, little Miss Alice Jean Schell, now at extreme right. Instruments used by the little band are the rhythmic sticks, single sticks, tambourines, bells, triangles, drum, cymbals, castanets, saxophone, cornet, trumpet, trombone, clarinet, and bassoon.

Six Men Drowned When Liner Rams Freighter; Boat Sinks in 12 Minutes

Disaster Occurs in Waters of Vineyard Sound in Early Morning

DETAILS ARE MEAGER

President Garfield Only Slightly Damaged; Kershaw Doomed Vessel

Vineyard Haven, Mass., June 1.—Between six and nine men, it was believed, went to their doom in the waters of Vineyard Sound off East Chop early today when the freight steamer Kershaw, Boston for Norfolk, Va., was rammed to the bottom by the Dollar liner President Garfield, enroute to Boston from New York as part of a world cruise.

HONOLULU REACHED BY PLANE

Fail To Sight Land as First Reported; Fliers Advise Radio Battery Down

MESSAGES CONTINUOUS

Fliers Keep Constantly in Touch with San Francisco and Honolulu

REMARKS

Honolulu, June 1.—Safely accomplishing the first 2,000 mile trip of its projected 7,000 mile trans-Pacific air journey to the continent of North America and Australia by air, the great trans-Pacific mailplane, Southern Cross, reached Honolulu safely at 12:10 p. m. (Pacific Coast time) today.

Honolulu, June 1.—Less than 130 miles from Honolulu the mailplane Southern Cross finished to the Radio Corporation of America Station here.

"We are lost. Radio battery went down. Please get ship with receiving sets to get our bearings on 740 wave. Will keep on going as they call track us. Signal flash."

This message was immediately followed by another, timed 0:51 a. m. Island time, reading:

"Mistaken clouds for land and sent message by mistake. We have sufficient gasoline left to last for four hours more."

At 0:35 a. m., the Southern Cross had radioed a message picked up by the Radio Corporation that they had sighted land.

Army planes now in the air to escort the trans-Pacific plane to the island took off immediately.

The interpretation of the latest message from the first plane is that their receiving batteries have gone dead and leave the plane in "lost" as far as the radio battery is concerned.

Officials are confident the plane has approached close enough to the island to sight land men, before going to sleep, as apparently, from messages from the plane, it had been kept to the radio beacon course up until the moment the batteries failed, possibly between 100 and 120 miles from land.

Through the night it seemed clear, according to officials, that a course by navigation had been maintained supporting the radio beacon.

10:00 P. M. BY RADIO

Messages came to San Francisco from plane throughout night.

San Francisco, June 1.—About the Southern Cross are Capt. C. W. Elmer, San Francisco, and C. T. P. Lin, American explorer; Harry W. Evans, navigator, and James W. Warner, radio man. The latter two are Americans. Captain Kingford Smith was of the controls when the plane took off.

Navigators followed the course of the craft from the regular radio messages, and described it "like an arrow from the string of a master bowman."

At the 100-mile stage—at the 200-300-400-mile stages—yesterday and last night the "Southern Cross" flew a true course, headed across the Pacific as straight as an arrow on the trans-Pacific cable on the floor of the sea below.

The constant radio communication maintained by the craft assured the ground. It was believed as the last communication of the kind in original history. And while experts agreed at this, they commented on the splendid performance shown by the plane.

Gifts to O. W. U. Will Be Announced on Alumni Day, June 11

ACTIVITIES TO START JUNE 9

Dr. Avery A. Shaw, of Denison, Will Give Class Address

Delaware, June 1.—Announcement of important gifts to the university is to feature the 84th annual commencement at Ohio Wesleyan University, at which 276 seniors will be candidates for graduation. Commencement festivities will extend from Saturday, June 8, to Tuesday, June 12.

Bishop Francis J. McConnell will deliver the baccalaureate sermon, while the commencement address will be given on "The Art of Living" by Dr. Avery A. Shaw, newly elected president of Denison University.

The program for the graduation festivities will open Saturday, June 8, with the annual art exhibit at the Ohio Wesleyan School of Fine Arts. The annual Shakespearean play which this year is to be "Much Ado About Nothing," will be presented by the university histrionic club Saturday evening.

Sunday's program will have as a feature, in addition to the baccalaureate sermon, a sacred concert to be given in the evening by the Ohio Wesleyan Singers Club and the university orchestra.

15 Classes Will Meet

Alumni Day will be held Monday, June 11. The feature of the day will be the Alumni Luncheon at which gifts made to the university during the year are to be announced and other important announcements made. Fifteen classes will hold reunions early Monday evening, and the usual promenade concert will be held on the campus at 8 o'clock.

Commencement exercises proper will be held Tuesday morning. The list of honorary degrees to be conferred this year is said to be of unusual interest although according to the custom of Ohio Wesleyan no announcement of men to whom such degrees are to be awarded is ever made prior to commencement exercises.

Pecking observatory is to be open to visitors at many periods during the commencement festivities, and the annual art exhibit also will be open to commencement visitors each day during the graduation program. The board of trustees will hold its annual June meeting Monday, June 11.

MEN ARE RETURNING TO TEACHING, REPORT SHOWS

Washington, June 1.—Men are gradually returning to the public school teaching profession, the Interior Department announced today.

Whereas in 1920 only 14 per cent of the teachers were men, in 1928 there were 17 per cent.

The decrease of male teachers during the last 9th years, the department said, apparently resulted from "small salaries paid to teachers in general and the larger opportunities for advancement offered by commercial and industrial pursuits."

SENIOR CLASS HONOR LIST IS ANNOUNCED

Miss Genevieve Stowe Receives D. A. R. History Medal

Continued from Page One

Roberts, William Starr, Walter Moore, Arthur Cheney, Marcelle Bower, Dorothy Zieg, Anna Belle Jones and Thelma Johnson, who received honorable mention.

Miss Janice Shelton, senior class president, represented the seniors in an address in which she expressed the appreciation of the class for the opportunity of education.

"May your investment in us, as taxpayers, bring you big dividends," she said. "May we live up to our nation and your faith in us in lives of service." She also expressed good wishes to the junior class.

Evangelist Record

In the response John Waddell, junior class president, touched upon the creditable activities of the graduating class.

"It is appropriate that the word senior means 'highest,'" he said, "for the group about to leave Harding High School has most certainly attained the highest honors to be achieved by high school students. He defined the word 'senior' as 'S,' standing for senior; 'E' for endeavorers of the class of '29; 'N' for the nobility of this particular group; 'I' for the initiative which made their achievements possible; and 'U' for the regret of parting with so valuable a class."

Seniors in gray caps and gowns, entered in processionary form to the strains of the "March-Romance" by Gounod, played by the High School Orchestra. "Circus Maximus," by Samuels, was used as a recessional.

The program opened with the singing of the class song with words by Robert Roberts and music by Dorothy Zieg, who played the piano accompaniment. The class address and response were followed by two numbers, "Mighty Lak a Rose," Negin, and Indian Love Call, Friml, played by an instrumental trio comprised of Elma Sage, soprano; Dorothy Cressap, clarinet; and Dorothy Zieg, piano.

Band Class History

The class history was read by Miss Cressap, after which Anna Van Endt, beautifully played, "Auntie Centaure," Technowsky-Kreider and "Al-

pine Maid's Sunday," Brendsen, on the violin. Miss Sage played her accompaniment at the piano.

Virginia Bachman, Elma Sage and Harold Waddell as characters, representing a family in the midst of spring housecleaning, presented the class with a beautiful concert number, "Serenade," Luttwitz. Miss Sage was his accompanist.

Don Hunter, representing a candidate for the presidency, with Mary Timmer as his secretary, and Katherine Kynnon, Glen Cressap and Annabeth Foller as guests, gave the class play.

The program closed with a piano duo, "Home Note," Negin, played by Elma Sage and Dorothy Zieg, with awarding of honors and with singing of the class song.

Class Song

Following is the song, with words by Robert Roberts and music by Dorothy Zieg.

"Harding High, our Harding High
We rise to honor thee
To friendships made in days gone by
We'll ever pledge our fidelity.

Gracious Guardian of our past
Our love for you is true
God bless and keep you H. H. H.
And all the years we spent with you.

Chorus—
"Happiest days will soon have left us
Thy faithful spirit has ever kept us
We are parting with regret
High School friends will never forget
When we have journeyed life's highway—
You'll still live in our memory
Though we've said goodbye to you
You're still our Harding High."

The class motto is "Our aim: Success; Our flag: To Win," the colors are salmon and silver and the flower is the Salmon Tea rose.

HAS NEW PLAN

Former Prohibition Agent Picks Up Idea In Europe

Paris, June 1.—"Izzy" Einstein, former spectacular prohibition enforcement agent in the United States, who has been residing up in Europe, said to sail for New York on June 5 with a plan to "dry up" America. He found it in use in a village while traveling in Czechoslovakia. Any one found taking a drink is placed in a long black box resembling a coffin. This box, which is on wheels, is then drawn through the streets while the jeering populace looks on. "Izzy" was formerly a member of the famous prohibition enforcement team of "Izzy" and "Moe." Their methods in New York finally became so spectacular that they were dropped. But they had already gained enough renown to get them into trouble.

GRANDPA VIC AGAIN

Columbus, June 1.—Gov. Vic Donahue's fifth grandchild arrived early today when a son was born to Mr. and Mrs. Robert Donahue of Shaker Heights, a suburb of Cleveland. Robert, formerly a clerk for his father in the governor's office, now is a representative for a bonding company.

ROBERT LEWIS IS REMOVED TO HOSPITAL

Suffers Fractured Skull When Machine Collides With Truck

MAKES U-TURN

George Denman, of Upper Sandusky, Also Injured; Others Escape

Upper Sandusky, June 1.—Robert H. Lewis, 50, Bucyrus, is in a critical condition at Monnett Hospital, that city, suffering from a fractured skull sustained in an automobile accident here yesterday afternoon about 3:30 o'clock. George Denman, 40, of this city, sustained several injuries, knew and cuts and bruises in the accident. John Neate, of Upper Sandusky, and E. C. Clark and John Brandt, of Mansfield, who were in the car with Lewis, and E. M. Hamrick, of Tiffin, driver of the truck, escaped injury. Lewis had not regained consciousness at noon today.

The accident happened at the intersection on N. Sandusky-av. and Church-st. when the truck driven by Hamrick, and owned by the Ohio Power Co., attempted to make a U-turn, colliding with the car owned and driven by Mr. Neate, proprietor of the Chrysler garage, and in which Mr. Lewis, Mr. Clark and Mr. Denman were riding in the back seat. The car struck the truck head-on, turning it on its side. Both the machine and truck were badly damaged.

Mr. Lewis was taken to the office of Dr. Craig Bowman and later to the hospital in the Irvington ambulance. Mr. Denman was removed to the office of Dr. Frederick Kenna where it was found the flesh had been torn from both his knees, his left thumb badly mangled and he had several cuts about the head.

Mr. Lewis is manager of the Brock Oil Co., bulk station, located at Bucyrus. Mr. Brandt is the Mansfield representative of the company, and all were out in the Neate car for an oil demonstration.

St. Louis, June 1.—Members of the Second Division Association here today organized a "committee of 100" to urge the nomination of Harford M'Nider, former head of the American Legion and former assistant secretary of war, as vice president of the Republican ticket at the Kansas City convention.

TWO KILLED, THREE MAY DIE IN BLAST

Two Others Missing Following Explosion of New Jersey Nitrating Plant

Kearney, N. J., June 1.—Two men were killed, three probably fatally injured and two missing today after an explosion that razed the nitrating plant of the Dupont Nitrocellulose Co. Buildings within an area of a half mile were rocked by the force of the blast, which blew off the roof and puffed out the walls as if they were made of paper.

A dozen doctors with a fleet of 30 ambulances were mobilized and the injured were taken to the West Hudson Hospital. One victim died a few minutes after being admitted.

Three others lay at the point of death while police, firemen and Dupont employees combed the debris of the building for the bodies of other victims.

LINDBERGH BORROWS PLANE FOR EARLY MYSTERY HOP

Long Beach, Calif., June 1.—Flying in borrowed plane, Col. Charles A. Lindbergh took off from here early today on another mystery hop.

Altering plans an hour before his departure, the "flying colonel" hopped off from the municipal airport at 5:30 a. m. for an unannounced destination.

HAUDENSCHILD RITES CONDUCTED AT KENTON

Kenton, June 1.—Funeral services for Samuel Haudenschild, 77, former Kenton business man whose death occurred at the Warren City Hospital, were conducted this afternoon at 2 o'clock at the Brinsley mortuary in charge of Rev. E. E. Naragon, pastor of the First Reformed Church.

Mr. Haudenschild was a native of Berne, Switzerland, and came to America at the age of one year with his parents, who lived in Kenton. He was engaged in the shoe business for many years and in his later life conducted a shoe repair shop.

FUNERAL OF MARION MAN'S FATHER HELD

Last Rites Conducted at Forest Church for A. J. Baker

Kenton, June 1.—Funeral services for A. J. Baker, prominent retired farmer of north of Forest, whose death occurred yesterday at the Forest Methodist Episcopal Church in charge of Rev. H. S. Worthington. Interment was in the Jackson Center Cemetery. He was born in Columbiana County 53 years ago and had lived in Hardin County for nearly 70 years.

There are surviving, the widow, three sons, S. C. Baker, of Mt. Gilboa; Van Baker, of Carey, and S. M. Baker, of Marion; the daughter, and four brothers, Simon, H. O. and W. M. Baker, all of Jackson Township.

LOOT OIL BOAT

Chinese Pirates Take 3,000 Cases of Kerosene, Report Says

London, June 1.—Chinese river pirates boarded the steamer Socony operated by the Standard Oil Co., near Canton and looted 3,000 cases of kerosene, dispatches from Hongkong received by the Exchange Telegraph Co. stated today.

In a daring coup, the bandits swarmed over the side of the vessel, overpowered the captain and crew and escaped with their loot. Troops scoured the Shantung district for the pirates, but found no trace of them. The Standard Oil Co. is reported to have lodged a protest with the Chinese government through the American consul at Shanghai.

WOMAN ARRESTED AFTER SHOOTING OF POLICEMAN

Cincinnati, June 1.—A woman who registered as Mrs. Jean Kirby, 22, is held here today after she admitted, according to police, that she was one of the three occupants of an automobile who shot and wounded Motorcycle Patrolman John Dunn, 21, and Harry Mansfield, 26, while the car was fleeing from the officers early yesterday.

Mrs. Kirby was arrested in Covington, Ky., yesterday afternoon by Cincinnati and Covington police. The shooting occurred after the officers had stopped the car which was said to have been speeding and had directed the driver to go to the police station while they followed.

BOY INJURED

Merle Cline Plunged Beneath Clog Masher Near Ashby

Ashby, June 1.—Merle Cline, 11-year-old son of Cline Cline, residing west here, sustained a broken collarbone and bruises when he was pinned beneath a large tractor wheel on which he was sitting while driving a clog masher about noon Thursday, on the Cline farm.

The three horses hitched to the clog masher became frightened and ran to the end of the field where they stopped after one of them became entangled in the harness and fell down.

MARION MAN TO GET HEARING SATURDAY

Tom Basios Booked for Arraignment on Reckless Driving Charge

Kenton, June 1.—Tom Basios, Marion, against whom charges of speeding and reckless driving were recently filed by John W. Crooks, sheriff of Hardin County, will probably be arraigned here Saturday before Probate Judge Isaac McElroy.

The charges were the outgrowth of an automobile accident several days ago in which the car, occupied by Basios and 13 others and another driver, collided on the Harding highway, east of here, injuring Mrs. Madory.

Basios now is facing a \$300 court here and is at liberty under \$300 bond for grand jury investigation of charges of assault and battery on Mike Dowd, farmer, as a result of the accident.

Pleading guilty to charges of illegal possession and sale of intoxicating liquor, F. J. Shaffer, operator of a service station along the Harding Highway, west of here, was fined \$200 and costs by Judge McElroy.

Shaffer was arrested by State Agent Curtis after it is alleged, the man sold him a half pint of the alleged liquor. Search of the premises revealed 220 other half pints of intoxicants, 290 bottles of alleged beer and 15 gallons of beer being brewed.

ARREST DESERTER

Bucyrus, June 1.—Due to desertion from the United States Army in 1925, Clarence V. Frost, alias Clarence Davis, Bucyrus, was arrested here and turned over to Fort Hayes authorities at Columbus.

KENTON WOMAN DIES AT HOME OF SON

Kenton, June 1.—Mrs. Henrietta Slater, 50, died Thursday at the home of her son, Ernest Slater, Kenton, after an illness of 12 years.

Mrs. Slater had lived in Kenton four years, coming here from New Bremen, where she was born. She was a member of the First Presbyterian Church.

DIES OF FIRE BURNS

Cleveland, June 1.—One man is dead and another was suffering from injuries today, the result of an early morning fire in a West Side rooming house here. The dead man was identified as Mat Eiben, 49. He had been overcome by smoke, dying before he could reach him. William Huber, 5, is in a hospital seriously burned. Fifteen other persons were driven to a street by the flames.

SHE'S AFTER HIM

Cleveland, June 1.—Fraulein Ley Wevand has arrived in Cleveland seeking her soldier lover of World War days. She says his name is Frank Miller, that he was a corporal in the American Army of Occupation and that he lived either in Ohio or Indiana. She vows she will not return to Coblenz, Germany, where she says Miller proposed to her eight years ago, until she finds him.

Germany produced 254 feature films last year, France 74, England 41, and Italy five.

took his life in order to find peace.

HAIR STYLE MATTER OF INDIVIDUALITY

Alison Fringle, well known artist of the silver sheet, illustrates some of the modern hair dresses. She shows how each different style changes the facial expression. It's up to you girls to choose your own way of handling this situation and decide which looks the best on you.

SHE'S WITTY, TOO!

Almost any girl would be happy to have her hair styled by Alison Fringle. She is a well known artist of the silver sheet, and her work is a masterpiece of artistry.

THREE U. S. BALLOONS WILL ENTER RACE

Army Entry Apparent Victor in Ill-Fated Elimination Contest

Pittsburgh, June 1.—The United States Army Balloon No. 1, the Detroit News and the American Business Club entries in the national elimination race here, winners of the first three places in the race, will represent the United States in the international balloon race in Detroit June 30.

Despite the fact that no official winner of the ill-fated elimination race will be named until photographs are submitted to the National Aeronautics Association and checked, the army entry, which landed at Weems, Va., early yesterday, is the apparent victor.

The Detroit News and American Business clubs, Akron entry, landed at Widewater, Va., and Cannon post-office, Va., respectively, after first being reported down in the storm near here which killed two contestants and injured two others.

Hemorrhoids Disappear

All Pile Sufferers Disappear Without Cutting or Suffering

External treatments seldom banish piles and for the very good reason that the cause is inside—bad circulation in affected parts veins are flabby and bowel walls weakened.

To quickly and safely rid yourself of piles you must free the circulation—send fresh, healthy blood to the raw, sensitive membranes. Internal treatment is one safe method. Ointments and other external treatments can't give lasting relief.

J. S. Leachard, M. D., a specialist, set at work some years ago to find a real internal remedy for piles. He succeeded. He named his prescription HEM-ROID, and it has proven successful in thousands of cases—so successful that now HEM-ROID is sold by druggists under a money back guarantee. It is a harmless tablet, easy to take, and can always be found at Henry & Cooper, who will promptly refund the purchase price if you are dissatisfied.—Adv.

LONGSHORE, MAYS TO DO BATTERY WORK IN GAME WITH FOSTORIA

Bacon Makes Changes In Marion Lineup For Sunday Fray

LONGSHORE, MAYS TO DO BATTERY WORK IN GAME WITH FOSTORIA

Sharrock Will Play at First; Donaldson or Thorpe To Fill Right

By KARL E. McELROY
Sports Editor, The Star

Although the team is one of the hard-hitting aggregations that has represented Marion in a number of years, the Eagles are still rather weak on the defense in spite of four contests played so far this season.

When the local team faces the Fostoria Eagles at Lincoln Park Sunday afternoon, Manager Francis Bacon will have completed several changes that are expected to bolster up the defense of the nine.

Maya, who caught the first game of the season, will be substituted for Backeater behind the plate. It was the hitting that landed Backeater with the Eagles and his poor defense, especially on his throw to second, that is causing him to retire. Maya has a nice peg to second.

Sharrock will play first base Sunday with Bacon on second. Sharrock is a poor outfielder, but one fine batter. This will be the only change made on the infield.

Either Jim Thorpe or Donaldson will fill the vacant position in right field. If it is at all possible, the famous Indian will be used in the local lineup.

Longshore will be given his first chance to show his stuff as a starting pitcher. In the last several games the Marion County youth has been going to the mound in the pinches pulling through in fine style. Whether he can fill the berth as a regular hurler remains to be seen Sunday. Lefty Heiler is expected to take over the hurling position the middle of this month.

Second Round of Legion Tournney Slated For Saturday

IT'S NOT FAST BALL, SAYS BABE

BY FRANK G. MENKE
G. Herman Ruth, who should know his home-run cabbage, spoke at the idea that a "lively ball" is the reason for all this four-busting business through the last six or seven seasons.

"Phooie," spoke the great G. Herman, in opening his speech. "And a few fingers." "And furthermore, hah—there's what I think of this lively ball trifflin'—and there you are."

"But listen, now, what I mean, that lively ball stuff is lokum, okum and plenty else."

"The guys that make the horsehide whistles blare and you sweat upon the heads of the prophets that picked the Yankees to win the pennant this season, that the ball today isn't any different than when you and I was young Maggie, and those fellows ain't doing any verbal oris-crowns, why should they, why should they—snaww me that?"

Braves Show Four-Game Winning Streak Since Appointment

New York, June 1.—Just how much the managerial acumen of Rogers Hornsby and the acquisition of George Kiefer has helped the Boston Braves will be determined in the Boston-Cincinnati series, starting today. Jimmy Brown To Fight Cleveland

Stelmack of Danny Dunn's Stable Slated as Opponent for Queen City Lad at Crystal Lake Park Monday Night

When Jimmy Brown of Cincinnati enters the ring Monday night in the 10-round main event of the Eagle boxing card at Crystal Lake, he will be facing a boy equally as clever as himself.

Frankie Stelmack, from Danny Dunn's stable at Cleveland, has been matched with the Queen City lad. Stelmack has been appearing in shows in many of the larger cities of Ohio, winning most of his fights. He has many knockouts to his credit.

Offerings of Gruber were batted right and left by the big guns of the C. D. & M. and when the smoke had cleared off the battlefield, the Hocking Valley recreation team tasted defeat for the first time this season.

It was a close contest at that. The Electricians managed to hold the big end of 9 to 8 score after breaking a tie in the seventh inning.

The defeat of the Railroaders and a victory turned in by the Excelsior team gave three aggregations a tie for first place.

After being defeated by Excelsior, 5 to 4, the Shovel Club dropped into a second place tie. The Excelsiors won their first game of the season by defeating Huber, 2 to 1. Fairfield shut out the Erie Roundhouse, 3 to 0.

The scores:

All American Eliminated From World Court Tournament

Paris, June 1.—America's hope of capturing any tennis laurels in the international hard court championship tournament ended today upon the sturdy shoulders of Helen Wills. As the result of the defeat yesterday of Frances T. Hunter and Miss Helen Wills Anderson all the Americans were eliminated with the exception of Miss Wills.

Miss Wills, who had a day of rest yesterday, was in fine form today. She appeared confident but would make no promises.

URBANA RACES ARE CALLED OFF TODAY

Sheriff Closes Betting Places; No Money To Pay Purses

Urbana, June 1.—Followers of horse racing who gathered here to witness the four-day racing program that marked the opening of the Ohio Short Ship Circuit, were leaving today disappointed, following the announcement that the third-day program of the harness races would not be run because of lack of money for purses.

Officials at the track refused to say if this was the result of the closing of the betting places yesterday forenoon by Sheriff P. V. Jones.

Sheriff Jones said that he had received a complaint of letting going on and that he ordered it stopped. He refused to name the complaining party but admitted that it was someone who was taken in for a sum of money by the bookies.

No arrests were made, the county officer reported, saying that the betting was stopped by track officials as soon as they were warned that they would be arrested if betting continued.

ONE NICKEL now buys a ripe-tobacco cigar ... if you know the password

OLD ideas about five-cent cigars are dead and their dear souls. Ripe has killed them by putting on smoking new quality in an old-time favorite—Havens Edition. Modern methods, immense production and the determination to use nothing but full-ripe tobacco have done it.

Hot-foot it to the nearest cigar counter and get the proof direct. ... Light up a Havens Edition. Smoke is delicious. Let the smoke linger in your mouth. You'll get the marvelous goodness of ripe tobacco quicker than a hungry man can detect the cooking of a good meal.

Havens Edition is the world's greatest five-cent cigar. ... And that's our guarantee—or your money back, if you want it. No bitter under-ripe or flavoring over-ripe tobacco. No "slops" or short ends to crumble and come out in your mouth. No, no, nothing but long-leaf, slow-burn, mellow-soft, ripe middle leaves of choice tobacco. For one nickel!

INSTALL PASTOR

Father of Rev. W. F. Lehr Presided at Services at Waldo Church

Waldo, June 1 — Very impressive was the services Sunday night at the Waldo Church when Rev. W. F. Lehr was installed as pastor. He recently graduated from Central Theological Seminary, Dayton, Rev. Lehr's father, Rev. W. H. Lehr of Bucyrus, presided, assisted by Rev. E. E. Ewing of Delaware. Members of the congregations of the three churches in the pastorate of St. John's, St. Jacob and the one at this place, were in attendance.

Relative of the young man witnessing the ceremony were his sisters, Mrs. H. O. Moser, a furloughed missionary from Cayaba, Malta, Greece, Brazil, Miss H. C. Lehr of Lancaster, and his mother, Mrs. W. F. Lehr.

Ham!

with a flavor
that a porterhouse
steak would envy

LUXURIOUS MEAT at a price anyone can afford—that's the new, improved Sugardale sugar-cured ham. It's so good it makes any meal a banquet, for it is sweet and mild and tender, with just the right touch of smoky tang. And every ham is the same—never a one too salty, and no need of parboiling.

Even the appearance of the new Sugardale Hams is distinctive—every one plump and luscious and almost all steak. Sugardale Hams are individually selected from the finest tender, sleek young porkers. That's why they have less waste and more good meat in proportion to bone than any ham you ever saw.

Next time you want something extra good, pass up expensive meats and try a whole or half Sugardale sugar-cured Ham. It "goes right to the spot" every time.

Sugardale

Sugardale Bacon, too, is now cured by the special new sugar-cured process. It's so good it "melts in your mouth." Try it and you'll never go back to ordinary bacon again.

A full line of delicious meats are prepared the special Sugardale way—all tender and pure and with a zesty flavor all their own. Many are ready-cooked, ready to serve.

Rugged, Happy Boyhood

—joyously alive in every muscle, eager for the coming of each new day with the experiences it brings! That's the way with the well-nourished youngster—the child who gets plenty of hearty, satisfying food.

There's nothing finer for this oncoming generation than good bread, and there's no bread quite so fine as HOLSUM. In this tempting loaf are all the vital food elements that build glowing health—the valuable mineral salts, the rich proteins, and the priceless vitamins. All are here, in generous measure.

HOLSUM is made clean, in a big, clean community bread kitchen, of pure milk and other choice materials. It's baked to golden perfection, and rushed to your grocer fresh from the ovens twice every day.

There's a Difference in Bread

So—don't say bread—say

CAST MADE ON GOVERNMENT COST

Expense for Year Estimated at \$3,500,000,000; Big Debt Cut Predicted

Washington, June 1—Uncle Sam's Government will cost about \$3,500,000,000 this year and a net profit of about a half billion dollars, according to estimates prepared at the treasury department.

Directly and indirectly the general public will hand over to the treasury more than \$4,000,000,000 out of its \$60,000,000,000 annual income by June 30.

Figures for the year beginning July 1 indicate that expenditures will be greater and receipts possibly \$200,000,000 less than in 1927-1928. The 1928 revenue act will slash about \$100,000,000 off the government's income next year, the tax reduction not being effective until January 1, while repayments from railroads of funds borrowed in the post-war period are estimated at \$150,000,000 less.

The end of the current year will see another billion or more lopped off the public debt, which on June 30 will be approximately \$17,500,000,000 or about \$20,000,000,000 less than at the peak in August, 1919. Most of the savings will go to debt reduction, in addition to \$354,151,000 from the sinking fund and about \$100,000,000 repayments on war debts from foreign governments.

WALDO MISSIONARY GROUP CELEBRATES BIRTHDAY

Waldo, June 1—The M. E. Woman's Foreign Missionary Society Tuesday night held the regular monthly meeting in the church parlor. Mrs. Elton Weiner presided at the piano for the group singing. Mrs. D. W. Benedict conducted the devotionals and presided for a Memory Bible game contest. The program was in charge of the May birthday circle. Those celebrating were Mrs. Olen Baker, Mrs. Harry Thompson, Mrs. Elton Weiner, Mrs. Sarah Thompson, Mrs. Elizabeth Morgan, Misses Louise and Katherine Tron, Mrs. J. E. Edler represented her mother, Mrs. Morgan, on the program and was heard in a duet with Mrs. John Tron. Mrs. Harry Thompson gave a reading, "The Two Prayers." Mrs. Weiner gave a reading, "The Story of King Chung," following with a piano solo, "Rock of Ages." Misses Betty and Jean Baker represented their mother with a piano duet. Mrs. H. E. Dougherty gave a short address on the value of a real smile. A demonstration, "Jesus Loves Even Me" was portrayed by Katherine and Louise Tron, Betty Baker, Mar-

PLAN ENTERTAINMENT

Prospect Queen Mothers Will Be Hostesses at District Meet

Prospect, June 1—The Queen Mothers of the Methodist Church held their meeting Monday night at the home of Miss Esther Keller, E. Water street, with 16 members present. The meeting was opened with the devotionals by Lucile Cheney; Mrs. W. M. Keller offered prayer. During the business session a letter was read from Miss Oma Wells. Plans were made and committees appointed for the entertainment of the Delaware District Young People's Missionary Society, which will be held here June 12. A playlet entitled "What the Mites Do" was given by Martha Cheney, Mary Elizabeth Cooper, Gladys Lindsey, Florence Lowry, Evelyn Northrup, Hazel Reynolds and Elizabeth Doff. After this playlet the mite boxes were collected by the secretary, Mary Elizabeth Cooper. The amount collected was more than \$20, with several other boxes to collect. Refreshments were served by Ruth Harmon and Gladys Lindsey. Guests were Miss Dorothy Thomas, of Warren, and Miss Mildred Evans. During the entire evening decorations were made to be used at the district meeting in June.

ENGLAND PERFECTS NEW WAR AIRPLANE

Craft Planned by Experts Pronounced Master Achievement for Fighting

London, June 1—Another step towards realization of Great Britain's hopes for world supremacy in the air has been achieved by British aeronautical experts in the form of a new fighting airplane. It was learned today.

Considered the most remarkable craft ever built for warfare in the skies, the plane has a speed of 150 miles an hour. It can remain in the air for 12 hours with a full load. As well as carrying bombs and machine guns it discharges a torpedo weighing a ton.

One of the most striking features of

the plane is its ability to take off in a run of 50 yards and ascend almost vertically. It is fitted with the Handley-Page slotted wing device enabling it to slow down and almost hover in the air. It can alight either upon land or water.

Entering a bank at Doncaster, England, recently, a valuable mite cow had to be slaughtered before it could be taken out.

More than 43,000,000 pounds of poultry were imported into the United States in the past year.

Meat Market

Both Stores

Don't you think buying better Meats, kept by Better Refrigeration, costing a little, only a little more, should interest particular people?

Poor automobile oil burns bearings out. What about that old cow milked for years, raised a large family, now on some butcher block, for a few cents less a pound. Poor old Mama Cow, bought cheap, sold at a profit more than any good beef is sold for. (Quality First, then Price.) Try our Corn Fed Steers and Heifers.

Open Tonight from 7:30 to 9:30.

The Tire Supreme

Firestone

Gum-Dipped TIRES

HOLD ALL WORLD RECORDS

for *Speed, Safety and Endurance*

How has it been possible for Firestone Gum-Dipped Tires to sweep aside all the old records in every field of motor-ing and set up an entirely new standard for judging speed, safety, endurance and mileage? Such outstanding perform-ances on all types of cars and commercial vehicles, on brick, board and dirt speedways as well as under the same everyday driving conditions that every motorist meets, could only be brought about by the most advanced tire engineering there has ever known. Never before in history have such feats been accomplished, because never before have there been tires so perfectly designed for each motoring need—with such balanced construction from beads to tread—with every part of the tire engineered to function perfectly in the service for which it is built.

THE ONLY TIRE THAT HAS ITS CORDS DIPPED THROUGH A RUBBER SOLUTION

Here is a single cord from a Firestone Gum-Dipped Tire untwisted to show how it is composed of small cords and strands. It takes millions of cotton fibers to make up these cords for a tire, and each must be thoroughly insulated with rubber to prevent friction and heat, in the carcass—the greatest enemy to long tire mileage. Firestone engineers found that by dipping the cords of the tire carcass in a rubber solution, every fiber of every cord is saturated and insulated with rubber, adding the greatest flexibility and strength, and uni-fying the whole structure of the tire. Gum-Dipping made the Full-Size Balloon Tire practical by adding the extra strength for the extra flexing strain. That is why Firestone Gum-Dipped Balloons—the original low pressure tires—have held outstanding leadership for more than five years.

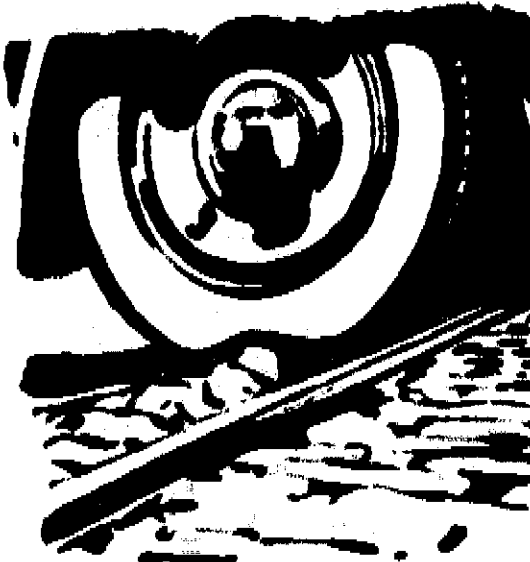

THE MOST DURABLE AND LONGEST MILEAGE TIRE

The amazing mileage of Firestone Gum-Dipped Tires results from the scientific-ally designed tread which is engi-neered to the contour of the Balloon Tire carcass—it flexes uniformly with the carcass at every point of contact—it is compounded of the toughest, most wear-resistant tread rubber possible—this tire does not weave or sway under load. It does not rut wear and because of the center ribs and provision for rubber displacement, wears more evenly and longer than any tread in the world.

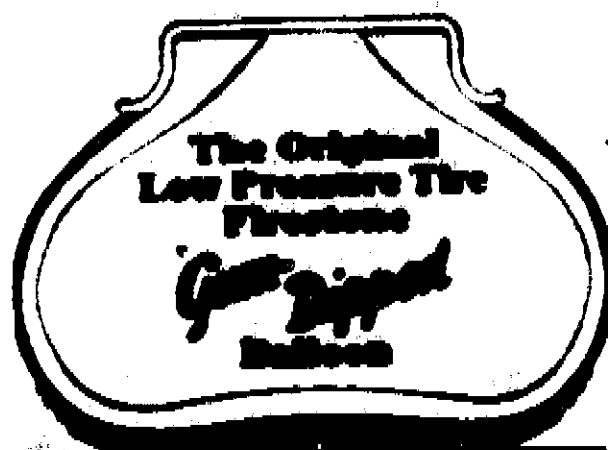

THE MOST COM-FORTABLE TIRE

The world's first practical low pressure tire—the Full-Size Gum-Dipped Balloon, was pioneered and developed by Firestone. No manufacturer has ever been able to duplicate this tire, either in the low, comfortable pressure it accommodates, or in the amazing mileage records it has established. Only Firestone has been able to give motorists true balloon tire comfort, absorbing every obstacle in the road without sacrificing long mileage.

THE SAFEST TIRE

Experienced race drivers will not trust their lives or risk their chances of victory on any other tires. Firestone Gum-Dipped Tires have enabled drivers to make higher speeds, with safety, than ever before possible. Imagine the terrific strain, pressure and flex-ing imposed upon Gum-Dipped Tires when Ray Keech recently broke the world's record at more than 207.5 miles per hour. Yet following the race the owner of this car wrote that the tires were in perfect condition. The tread of the Firestone Gum-Dipped Balloon Tire is sci-en-tifically designed for low pressure giving the greatest amount of yield under stress. This is the result of its great flexibility, permitting the tire to yield freely and cling to the road. Notice the narrow rider strips and small non-skid projections which permit this tread to flex freely with the new Gum-Dipped carcass.

non-skid when it comes in contact with the road. Notice the narrow rider strips and small non-skid projections which permit this tread to flex freely with the new Gum-Dipped carcass.

A Firestone Gum-Dipped Tire That is Supreme for Every Class of Service

For Light and Medium Weight Cars

This tire is designed and engineered to the needs of the light and medium weight car. It is therefore extremely flexible, of light construction, made usually strong by the com-pression of Gum-Dipping and uniformly in curve. It is gen-erally over-size and will give you greater comfort, safety and economy than any tire in the world of heavier and more bulky construction. Do not decrease your speed, increase your gasoline consumption or wear out your tires prematurely by putting a heavier tire on your light or medium weight car.

For the Heavy Car

Firestone has also designed a special tire with extra ply of cord fabric and heavier and tougher tread, especially for heavy cars. Naturally, this tire requires additional air pressure, and while the carcass is Gum-Dipped and flexes uniformly under load, yet its degree of deflection is less because of its heavier carcass, stiffer cord and heavier tread.

For Commercial Cars, Trucks and Buses

For motor vehicles of all greater weight and carrying capacities, the answer is made still further safety from the fact that Firestone tires are built of extra heavy cord and thick tread. The Firestone Commercial Tire is built to last, and its heavy tread and stiffer carcass give it the ability to absorb every obstacle in the road without sacrificing long mileage.

AMERICAN

Indianapolis 500-Mile Race

Decoration Day, May 30, 1928, for the 9th consecutive time, Firestone Gum-Dipped Tires won the famous Indianapolis Sweepstakes.

207.5 Miles Per Hour—The Fastest Time Ever Made On Wheels—Made On Firestone Gum-Dipped Tires

Ray Keech, driving the enormous and tremendous 16 cylinder 2500 h.p. Triple Special, on Firestone Gum-Dipped Tires, set a new world's record when he averaged 207.526 miles per hour at Daytona Beach, Florida, April 22, 1928. Frank Lockhart did not have his car equipped with Firestone Gum-Dipped Tires—and no other cars in the speed trials at Daytona Beach were Firestone equipped, except Ray Keech's car.

Firestone Gum-Dipped Tires Have Won Every National Championship Race Since 1920

Dave Lewis won 200 mile race at Atlantic City, in 1927, at average speed of 130.94 miles per hour without a stop—on Firestone Gum-Dipped Tires.

One-Half and One Mile Dirt Track Records

Frank Lockhart made an average of 80.826 miles per hour in a 100-mile race at Cleveland, in 1927, breaking all dirt track records, on Firestone Gum-Dipped Tires.

Car Owners' Records

H. A. Potter, New York City, writes he is amazed at Firestone mileage. He has driven his car 42,000 miles on Firestone Gum-Dipped Balloons, including trip from coast-to-coast.
C. T. Meiner, Chicago, Ill., has driven 53,000 miles on a set of Firestone Gum-Dipped Balloons and has just equipped with a new set of these wonderful tires.
Eugene A. Penner, Lind, Calif., calls Firestone mileage "phenomenal." A set of Gum-Dipped Balloons on his car have run 57,000 miles and he states they are good for 5,000 more.

Coast-to-Coast Passenger Car Record

Art Jenkins, in 1927, drove his Studebaker Coach on Firestone Gum-Dipped Balloons, from New York to San Francisco for a record of 77 hours and 49 minutes.

Coast-to-Coast Truck Record

"Captain Bob" Baker, in 1926, drove from Coast to Coast, loaded from Atlantic to the Pacific, 1200 miles in 127 hours and 26 minutes. His truck and loaded truck ran on Firestone tires on Firestone Gum-Dipped Heavy Duty Balloons.

Endurance Record

As 1928, when the Firestone tires were used on the 100-mile race at Cleveland, in 1927, breaking all dirt track records, on Firestone Gum-Dipped Tires.

Missouri Presbyterians Say Liquor Is Source of Treasury Head's Wealth

Sedalia, Mo., June 1.—Returning today from the general assembly of the Presbyterian church in the U. S. A., which closed yesterday at Tulsa, Okla., members of this Presbytery of the church, who sponsored a resolution condemning President Coolidge for his action in appointing Andrew W. Mellon as chief of prohibition enforcement, stated that they would continue the attack upon the administration. The Presbytery at its last session adopted the resolution, which charged Secretary Mellon "had made millions of dollars from liquor interests" before he became head of the enforcement division. While the resolution received mild

CLASS PRESIDENT

MISS JANIE SHELTON, pictured above, gave the address for the Harding High School class of 1928 at Class Day exercises yesterday afternoon at Chautauqua Pavilion, Garfield Park. In addition to holding the unusual honor of class president, Miss Shelton is a member of National Honor Society and ranks fifth in the list of 29 honor students for the class. She is the daughter of Mr. and Mrs. Bert J. Shelton, 282 N. State-st.

praise from the general assembly, and members of the Presbytery were warmly commended for their activities. In behalf of the Volstead act, the legislative body of the church refused to take action directed against the administration.

SEVEN KILLED, 12 HURT IN COLLISION

Interurbans Crash Near Danville, Ill.; Air Brakes Fail

Danville, Ill., June 1.—An investigation under way today to fix responsibility for the disastrous crash of two interurbans which late yesterday killed seven persons and injured 12 others.

The front end of a westbound local, made of wood.

The westbound car was making its way toward a siding to allow the limited car to pass when the crash occurred. Most of those killed were passengers in the wooden local car, the steel construction of the limited saving many in that car.

TO RENEW CAMPAIGN AGAINST NARCOTICS

Washington, June 1.—The American campaign to outlaw "dope" throughout the world will be launched anew at the interparliamentary union in Berlin on Aug. 23, Rep. Stephen G. Porter, Republican of Pennsylvania, chairman of the House Foreign Affairs Committee said today.

a resolution calling for worldwide recognition that drug addiction is a disease and demands compulsory treatment of addicts.

CAR IS OVERTURNED IN COLLISION HERE

Three Persons Escape Serious Injury in Crash at Street Intersection

Misses Betty and Jane Canterbury, and brother, John, 222 Boonville, narrowly escaped serious injury yesterday afternoon when the Chevrolet coach in which they were riding, turned over at Columbus and Vine after being struck by an Essex sedan being driven by Mrs. F. L. Kemmerly, 141 Blaine.

The Chevrolet turned completely over, resting on the top with the wheels in the air and the occupants were taken out through a hole in the rear of the machine. Jane, who was taken from the wrecked car unconscious, was taken to her home in the Hess, Market & Ave ambulance, where it was reported today that her condition was improved. Minor bruises and cuts were sustained by the three occupants of the Canterbury car.

Damage to the Essex driven by Mrs. Kemmerly, consisted of a bent axle and a broken wheel. According to witnesses the Kemmerly car was going south on Olive-st and the Canterbury car going east on Columbus, was in the center of the intersection when it was struck by the southbound car. The Chevrolet was whirled around by the force of the collision, turning over and coming to a stop 12 feet east of the intersection, resting on its top.

IN SUICIDE PACT

One Sister, 68, in Dead While Other, 68, Will Recover

Columbus, June 1.—One woman is dead and her sister is in a serious condition in a hospital here today the result of a suicide pact, according to police.

The two sisters lived together and it is believed they feared one might die leaving the other alone.

Police investigated after a friend of the sisters had been unable to get an answer to her telephone calls. They found the sisters lying in a bed covered with a blanket. A garden hose ran from an open gas jet to the mouth of the dead sister, Mrs. Alma Butler, 68. The other, Miss Mary Butler, 68, is in University Hospital where it is believed she will recover.

BORAH URGED TO VISIT EUROPE THIS SUMMER

Washington, June 1.—Senator Borah, Republican of Idaho, chairman of the foreign relations committee and noted

irreconcilable in the League of Nations fight, today was urged to visit Europe in an official capacity this summer.

A formal invitation was extended to him to join the American group to the interparliamentary union in Berlin in August.

Borah has thus far turned a deaf ear to all proposals for congressional junkets to Europe.
